

Dear students,

I'd like you to create a digital motivational poster which will then be posted on my new website. Use the link below to visit the Google Slideshow with the assignment details on it. Under the FILE menu go down to MAKE A COPY and select ENTIRE PRESENTATION, and then rename and use that template for your assignment. The document should have all the information you need, complete with an example that I did, and please contact me if you're not sure what to do.

Please stay safe and make smart choices during this serious health crisis. This is not "business as usual" so you might have to figure out how you're going to navigate the "new normal". If you need to contact me, feel free to email me and I will respond as soon as possible. I will be holding some more Zoom meetings in the future so we can connect face-to-face. I will also be setting up a Remind account for students to join and I will be looking for you in the virtual classroom!
